Technique: Existent
Assemble/dismantle time: 2/1 h

Photo: Anna Molander

A journey through the biting wind. Obstacles appear – we have to get past. It takes courage and cleverness. To dare.

A classic fairy tale theme in a new work by choreographer Ingrid Olterman. The percussionist fills the performance with rhythms, music and song whilst the dancer is pushing his limits in this energetic and clever dance tale. The performance is followed by a short workshop, where the children sing and dance together with the artists.
